Hapkido Brisbane Mission Statement

Hapkido Brisbane is committed to teaching the Korean arts of Hapkido and Kumdo the traditional martial arts way, with mutual respect and self discipline.

Our mission is to implement the philosophy, practices and syllabus of Grand Master Bermas Kim and his method of Hapkido.

We train in a disciplined but friendly environment, providing an equal opportunity for all ages and fitness levels to gain personal development as a Hapkido or Kumdo practitioner.

The guiding principles of our Founder; Grand Master Stephen Millwood, are used as our Club Motto:

Integrity – Mean what you say.

Respect – Think highly enough of yourself and others to have integrity always.

Discipline – Have the strength of mind to use integrity and respect in all that you do.
